### SportsWare Online Login

E-Mail:  Password:

[Login](#) [Reset Password](#) [Join SW](#)

If you have forgotten your password, your password has expired, or you are logging in for the first time, enter your E-Mail address and press the 'Reset Password' button.

3. Go to your email inbox and follow the directions on how to reset your password
4. Once reset, you will be redirected to the Sportsware login screen again
5. Input email and new password
6. You will be brought to your DASHBOARD (home screen)
  - a. This screen gives you a quick-look of which athletes are out of practice and/or game
  - b. You can click on REPORT next to 'Practice Not Full Go' or 'Game Not Full Go' to give you a list of athletes who are out and what their injury is.
  - c. You can also view or print your roster's emergency information by clicking on 'Travel Report'
